Sarsen Whatmore

Profile

Hardworking sophomore at Boston University majoring in Computer Science seeking employment. Proficient in various platforms, languages, and embedded systems including C, Java, Python, JavaScript, Data analysis, Binary, and Ocaml. Looking for a company that will let me commit to utilizing my skills to further the mission of a company and my own knowledge. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team. Amazing with time management due to long career in swimming and have experience managing projects from hosting a property on Airbnb.
